

COMPETITION SANCTION APPLICATION

ADM-0& Ver: 20150* ½

Competition organizers wishing to apply for a sanction need to give the Competition Committee relevant details.

These details should be forwarded to the HGFA Assistant Operations Manager prior to April the 14th for AAA and AA sanction events.

Sanction applications should, where possible, be sent by e-mail to aid the subsequent distribution of the application.

Full criteria for sanction requirements are published in the competition manual, including the timetable for sanction applications.

The Competition Committee may request further information to support a sanction application.

The Competition Committee may alter aspects of a competition if there is a clash with other competitions, or for any reason.

The CC may consider any sanction application at any time, but once awarded, sanctions will not be revoked unless there are extenuating circumstances to warrant a change.

1. Preliminary Competition information

Competition Organizer _____

Competition Director _____

Competition Title (name of comp) _____

FAI class(es) of competition _____

Contact details for Organiser Phone: _____

Email : _____

Web Address (if any) _____
